**SC Planning Committee**  
**26th February 2019**  
**SCNW19, Volume 2**

Peace be with you all! The planning committee had a wonderful face to face meeting in Stockholm. We kicked off the meeting by having team building training and outdoor activity which helped us to get to know each other even more. Whilst we also came up with a definition for team spirit: A group of different people, take their own roles, respect each other, and harmoniously head towards the same direction at the same pace.

As a spiritual team we are heading to the same direction and that is using our spiritual gifts to do God's work together.

As for the practical side of the SC planning the committee have made a bunch of key decisions including the participants fees, registration times, all camp joint activity and many more. The co-workers registration will be on 7<sup>th</sup>-14<sup>th</sup>

of April whereas participants 28<sup>th</sup> of April - 5<sup>th</sup> of May. More info and reminders will surely come when the time gets closer!

What comes to the All Camp Joint Activity, the committee decided to give it a new try. The format will be simple and aims to provide an environment, time for families and friends that may not normally be able to mingle at the conference to do so.

We are also pleased to let you know that the conference brochure has been finalized. Many thanks to NCCC Gothenburg Pastor Peter

Chan's daughter, Theodore for designing the picture! The brochure is attached here. We highly encourage you to share it with your family and friends!

Each camp and function have also been working hard on their respective areas. It seems co-workers hunting is a common challenge right now. So please continue to pray for that!

# NEXT GENERATION

## Three Camps in One

**Next Generation consists of three different camps with one common theme and own speakers. The age range is huge and common language isn't obvious either. So, who are or what is Next Gen?**

### **Who are you?**

We are Kwun Chuen Chan from Helsinki and Maggie Tsang from Gothenburg, the Camp Directors for the Next Gen camps within the NCCC Summer Conference 2019.

### **Can you shortly tell us what is Next Gen?**

Next Gen ministries (short for Next Generation) is part of NCCC, focusing on reaching out to the Nordic Chinese generation born and raised in the Nordic countries. We used to call ourselves Second Generation since our parents were the first generation Chinese immigrants in the Nordics. But as we are starting

to see the third generation being raised up, we are now called Next Gen.

However, people may still confuse 'Next Gen' with 'Youths' because of the younger ages of many Next Gen members. But today, many of us are adults, so the main distinction for Next Gen is the cultural factor.

### **How is Next Gen divided in Summer Camp?**

We are one Next Gen camp divided into three camps based on ages; Junior camp for 12-17 years old, Youth camp for 17-22 years old and Young Adult camp for 22+ years old. All three camps are

gathered together in the mornings and evenings and also through common activities during the day such as workshops and games. The main language we use is English.

### **Anything else you want to say?**

It's always an excitement to witness God's work among us and His blessings through the years! Many of our coworkers grew up joining SC as children and are now adults serving the next generation in the Next Gen camp.

Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms.
